

GREENET®

Environmental DIPLOMA

awarded

Ocean Team Scandinavia A/S

for extraordinary environmental work

Ocean Team Scandinavia A/S is working actively and seriously to reduce the environmental impact on their surroundings.

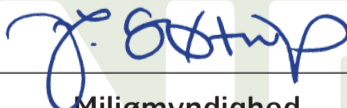

The GREENET committee finds Ocean Team Scandinavia A/S meets the GREENET's requirements for environmental performance.

This entails that Ocean Team Scandinavia A/S:

- has prepared a report after GREENET's environmental manual
- has identified the key issues in the environmental work
- has set targets for continuous environmental improvement, based on cleaner technology
- has made their report, which includes an environmental policy, clear objectives and a course of action, available to the public

Ocean Team Scandinavia A/S, Vesterhavsgade 56, 6700 Esbjerg, Denmark, receives diploma for the 1. time.

Diploma covers the period from autumn 2015 to autumn 2018.
