

## Technical datasheet

### OTW. DRIP TRAY 3X3 METERS COLLAPSIBLE (1000 LTR.)

#### Introduction

Ocean Team Windcare has made a drip tray which contains up to 1000 liters.

The drip tray is collapsible so it is easy to handle and transport which gives you the opportunity to bring it offshore and place under the Ocean Team Windcare equipment.

If a small leak happens in the drip tray, the tray is easy to clean.

This model can be customized to fit the place to be set.

**OTW item number.: 7000-133**

#### Features

- Contain up to 1000 liters
- Collapsible, so it is easy to handle
- Easy to clean
- Made strong PVC material

#### Safety features

- Oil resistant
- Strong PVC materials
- Fits into a tool bag for wind industry offshore

#### Capacity & performance

Capacity	1000 Liters
Color	Black
Style	Collapsible tray
Composition	PVC

#### Weight & dimensions

Length	3000mm
Width	3000mm
Height	100mm
Gross Weight	20 kilo
