

## Technical datasheet

### OTS.1000.iCon.CHEM.TANK

#### Introduction

The “OTS.1000.iCon.CHEM.TANK” is a heavy-duty multi-trip container and has been specially developed to meet the stringent requirements of the distribution industry.

Being manufactured solely from polyethylene, which reduces the burden on the environment.

OTS item number.: 9000-222-05

#### Safety features

- The “OTS.1000.iCon.CHEM.TANK” has been fully UN approved for multi-trip transport of dangerous products.
- In addition the integrated spill containment around the outlet prevents leakage of hazardous products into the environment.

#### Capacity & performance

The container has a capacity of 1000 litres.  
The unit has been designed to have an active life of 10 years meeting the current 5 year legal limit on the liner.  
UN Marking: 31HH1/Y/\*\*- /NL/BONAR PLASTCS 366/8590/2130

#### Weight & dimensions

Length	1220 mm
Width	1020 mm
Height	1535 mm
Tara/gross weight	108 / 2080 kg
