

Technical datasheet

PVC HOSE for "OTG.SOCOTFLEX.9001-2-9-9000481.PVC"

Introduction

Polyester reinforced clear PVC hose for oil, water, air, water based food stuff, some chemicals, and compressed air systems.

Working and burst pressure given at +20 °C decreases as temperatures increases, contact OTW.
At 60° C the working pressure is 50% of the given working pressure.

OTW item number.: 7000000-01

Features

- Easy to clean
- Can be fitted with all hose couplings

Safety features

- Polyester braided
- Transparent PVC

Capacity & performance

Working pressure	9 bar
Blasting pressure	27 bar
Working temperature	-10°C - +60°C
Max. flow	10 - 250 L / min

Weight & dimensions

Length standard	50000 mm
Inner diameter	19 mm
Outer diameter	26 mm
Weight per meter	3 kg
