6 C Cleaner

Introduction

OTW item number.: 12000

6C Cleaner (Chemical Cleaner and Conservator for Cooler Contamination by Ocean Team Windcare) is a strong acidous lime and rust removing cleaning agent for acid-proof surfaces. 6C cleaner is suited for use in e.g. Industrial environment, coolers, piping, industrial tanks and containers, etc.

Before cleaning

After cleaning

Capacity & performance

Physical state	Liquid
Odour	Characteristic
Colour	White/clear
Boiling temp./range (1013 hPa)	100°C

Weight & dimensions

Flash Point	N/A
Density (25°)	1,15 kg/l
PH Value (25°)	2,5
Water solubility	100 Wt %
